

# Spend the end of the year celebrating and reinforcing what students have learned!

First, compile all essential vocabulary and structures from the year. Use that content to plan fun, student-centered activities to finish out the term.

## Teacher Self-Care

Focus on  
activities that  
everyone  
enjoys!

Be selective in  
what is graded

Build  
formative  
assessment  
into class  
activities

Spread  
out final  
assessment

Communicate
