Salut!

EntreCultures® 2nd Edition is a four-level French program built around the NCSSEFL-ACTFL Can-Do statements designed to guide learners along a proficiency pathway through the lens of interculturality, real-world communication, and literacy.

What's New in *EntreCultures* 2nd Edition?

- **Authentic resources** introduce students to diverse francophone cultures fostering global awareness and deeper engagement.
- **Vlogger videos** have improved audiovisual for students to connect with peers across the French-speaking world.
- ***Notre communauté mondiale*** sections have students investigate and interact with francophone communities.
- **The Teacher's Edition** is fully annotated to support educators through lessons with teacher notes, differentiated instruction, assessments with rubrics, AP®/IB strategies, and ACTFL standards alignment.

Get Your Students Talking!

Nualang™ is a fun, safe, and engaging learning tool where student practice interpersonal speaking with Nualas, our chatty little helpers, that give students real-time feedback that reinforces language skills.

Why *EntreCultures* 2nd Edition?

EntreCultures transforms language learning with Learning Site®! This powerful, easy-to-use platform allows teachers to effortlessly create dynamic lessons from a diverse range of authentic audio, video, and text resources, making each student's learning path unique and engaging!
