Learning Site[®]

EntreCultures[®] 2nd Edition is a four-level French program designed to guide learners along a proficiency pathway through the lens of interculturality, real-world communication, and literacy.

What's New in *EntreCultures* 2nd Edition?

- **Authentic resources** introduce students to diverse francophone cultures fostering global awareness and deeper engagement.
- **Vlogger videos** feature native speakers that help students connect with peers across the French-speaking world.
- **Notre communauté mondiale** (Our global community) projects have students investigate and interact with francophone communities.
- **The Teacher Edition wrap** supports educators with point-of-use standards, instructional tips, answer keys, AP[®]/IB strategies, culture notes, differentiation guidance, and more!

Get Your Students Talking!

Nualang[™] is a fun, supportive, and engaging learning tool where students practice conversation skills with Nualas, our chatty little helpers, that give students real-time feedback that reinforces language skills.

Why *EntreCultures* 2nd Edition?

EntreCultures transforms language learning with Learning Site[®]! This powerful, easy-to-use platform allows teachers to effortlessly create dynamic lessons from a diverse range of authentic audio, video, and text resources, making each student's learning path unique and engaging!
