

Professional Learning Training Plan

Year 1 of Adoption

Training option one:

Three virtual synchronous trainings (two hours each)

- First webinar – Basic implementation: Accessing and using the textbook and Learning Site[®]
- Second webinar – Refresher of implementation training, more in-depth look at Learning Site[®] and a virtual Q&A session
- Third webinar – Choose from training topics below (one to two hours per topic)

Training option two:

Two in-person trainings (up to six hours each)

- First training: Comprehensive implementation training on how to access and use the new resources (textbook and Learning Site[®]) and incorporating topics from list below into instructional practices based on district needs
- Second training: Choice of training topics (one to two hours per topic)

Training option three:

Asynchronous eLearning courses

- Basic implementation: Accessing and using the textbook and Learning Site[®]

Virtual Q&A session following eLearning course completion
