

# Professional Learning Training Plan

## Year 1 of Adoption

### Training option one:

Two virtual synchronous trainings (two hours each)

- First webinar – Basic implementation: Accessing and using the textbook and Learning Site<sup>®</sup>
- Second webinar – Refresher of implementation training, more in-depth look at Learning Site<sup>®</sup> and a virtual Q&A session

### Training option two:

Asynchronous eLearning courses

- Basic implementation: Accessing and using the textbook and Learning Site<sup>®</sup>

Virtual Q&A session following eLearning course completion

Two synchronous virtual trainings (two hours each)

### Choice of training topics:

- Learning Site<sup>®</sup> refresher
- Learning Site<sup>®</sup> advanced features
- Proficiency principles and high-leverage teaching practices
- Teaching grammar in context
- Teaching vocabulary in context
- Implementing performance assessments (IPAs)
- Implementing backward design
- Maximizing target language use in the classroom

### Both options include access to:

- All eLearning courses
- Video library
- Virtual professional learning events and post-event recordings
- Articles and blog posts focused on language instruction

# Professional Learning Training Plan
