Overview

The Wayside Publishing® Learning Site®, our Learning Management System, is the central hub for teachers and students that bridges content, pedagogy, technology, and training to create a comprehensive digital environment that ensures students and teachers are on the path to proficiency and engaging with equitable and innovative pedagogical resources.

The Wayside Publishing® LTI Edu App integration with Canvas provides one-click access to the Learning Site® with minimal setup and maintenance. With this integration, users primarily engage with digital content through the Learning Site® and its user-friendly interface and functionality.

When you are ready to get started with the integration, the Wayside Publishing® rostering team will provide you with a Consumer Key and Shared Secret that will allow you to install the Wayside Publishing® LTI Edu App and connect to the Learning Site® within a Canvas course.

Partnership

Wayside Publishing® partners with schools, districts, and states around the country to ensure students and teachers have access to the best world language pedagogy in the market because our mission is to empower the next generation of global citizens. By adopting our products, you become stakeholders in our development process, and we will partner with you to understand your needs and serve you better.

Support

At Wayside, we want to make sure you are always able to find the help you need. Teachers and students have access to on-demand learning opportunities to support both pedagogical and technological aspects focused on industry best practices.

For questions regarding your integration set up, please contact our rostering team at rostering@waysidepublishing.com. For questions regarding the instructional use of your integration, please contact our Instructional Technologists at instructionaltechnology@waysidepublishing.com

Installing the LTI Edu App: Administrator-Level Instructions

If you are the Canvas administrator for your district and will install the Wayside Publishing® LTI Edu App for use across world language classrooms within your district, please follow the directions below.

1. Contact the Wayside Publishing® rostering team at rostering@waysidepublishing.com to receive your district's Consumer Key and Shared Secret.
2. In your Canvas Administrator account, navigate to your district Settings page.
3. Select **Apps**.
4. Type "Wayside Publishing" into the search field and select the **Wayside Publishing® external app**.

The screenshot shows the Canvas LTI External Apps page. On the left is a sidebar with navigation links: Home, Account, Dashboard, Courses, Calendar, Inbox, Commons, and Help. The main content area is titled "External Apps" and includes a "View App Configurations" button. Below the title, there is a description of LTI apps and a search bar. The search results show the "Wayside Publishing" app, which is highlighted with a yellow box. The app's logo, featuring an owl and the text "Wayside PUBLISHING", is visible within the box. The "Apps" tab in the top navigation bar is also circled in yellow.

5. Select the + **Add App** button.

6. Copy and paste the Consumer Key and Shared Secret for your district into the Add App dialog that opens. The Name field is automatically populated with "Wayside Publishing Learning Site" as the default.

7. When ready, select the **Add App** button. A confirmation message should be displayed.

8. Next, select **View App Configurations** to ensure the Wayside Publishing® Learning Site® LTI Edu App has been assigned to the correct users.

After installing the Wayside Publishing® LTI Edu App, it will need to be added to a module within an instructional course. Please see the [Adding the LTI Edu App to a Module Link](#) section of this guide for directions.

Installing the LTI Edu App: Course-Level Instructions

If your Canvas administrator has not installed the Wayside Publishing[®] LTI Edu App, please follow the directions below. You will need to install the Wayside Publishing[®] LTI Edu App into each instructional course with which you will be using the Wayside Publishing[®] Learning Site[®].

1. Contact the Wayside Publishing[®] rostering team at rostering@waysidepublishing.com to receive the Consumer Key and Shared Secret for your district.
2. In your Canvas instructional account, navigate to your course Settings page.
3. Select **Apps**.
4. Enter “Wayside Publishing” into the search field and select the **Wayside Publishing[®] external app**.

The screenshot shows the Canvas LTI App installation interface. On the left is a dark sidebar with navigation icons and labels: Account, Dashboard, Courses (highlighted), Calendar, Inbox, Commons, and Help. The main content area is titled "Period 4 > Settings". Below the title are tabs: Home, Course Details, Sections, Navigation, Apps (circled in orange), and Feature Options. The "Apps" tab is active, showing the "External Apps" section. A "View App Configurations" button is in the top right. Below the title, a text block explains that apps are an easy way to add new features to Canvas. Below this is a link to "See some LTI tools that work great with Canvas." and three filter buttons: All (selected), Not Installed, and Installed. A search bar contains the text "Wayside Publishing". Below the search bar, a card with the Wayside Publishing logo is highlighted with an orange border.

5. Select the + **Add App** button.

6. Copy and paste the Consumer Key and Shared Secret for your district into the Add App dialog that opens. The Name field is automatically populated with "Wayside Publishing Learning Site" as the default.

7. When ready, select the **Add App** button. A confirmation message should be displayed.

After installing the Wayside Publishing® LTI Edu App, it will need to be added to a module within an instructional course. Please see the [Adding the LTI Edu App to a Module Link](#) section of this guide for directions.

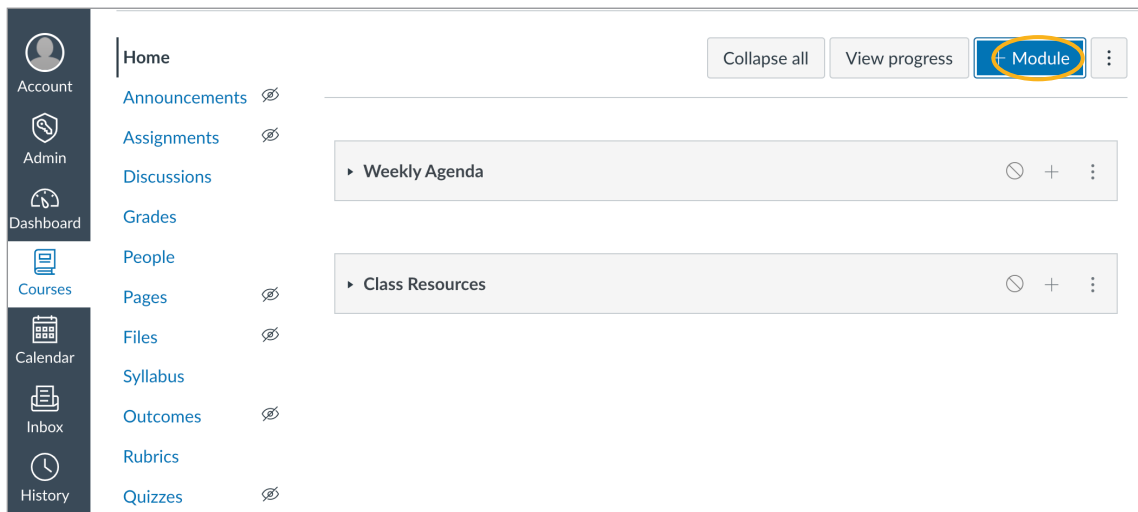

Adding the LTI Edu App to a Module Link

After installation, the Wayside Publishing[®] LTI Edu App will need to be added to a course module as an external tool to provide both teachers and students access to the Learning Site[®]. To add the Wayside Publishing[®] LTI Edu App to a module, please follow the directions below.

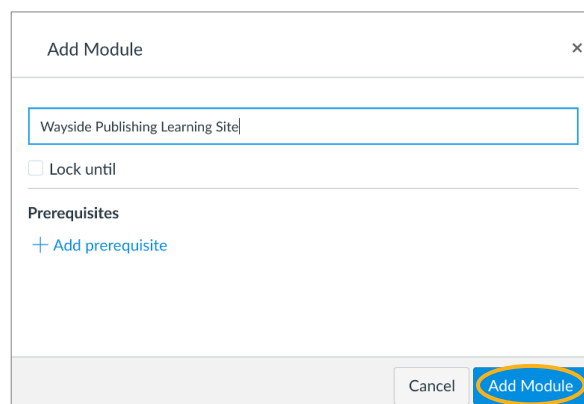

TIP: The Wayside Publishing[®] LTI Edu App can be added to a new or existing module. It can also be added multiple modules.

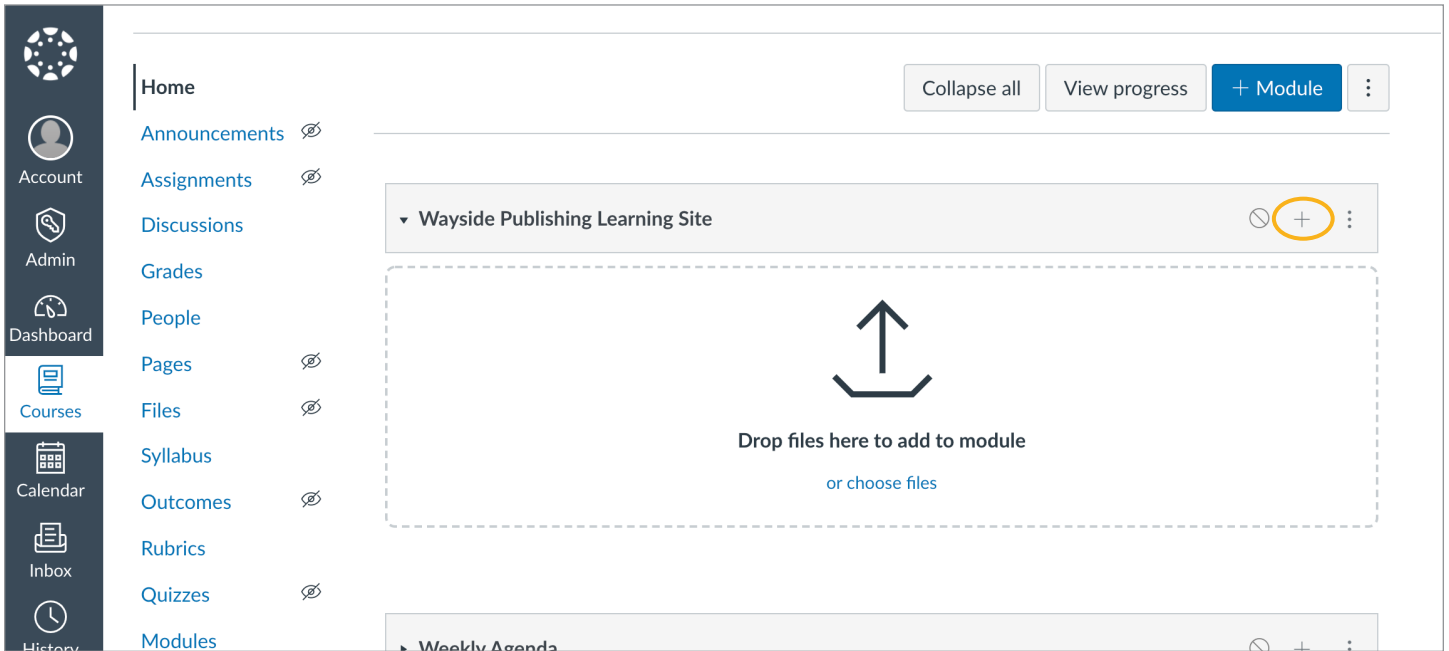

1. To add a new module, navigate to the Modules page of your instructional course and select the **+ Module** button.

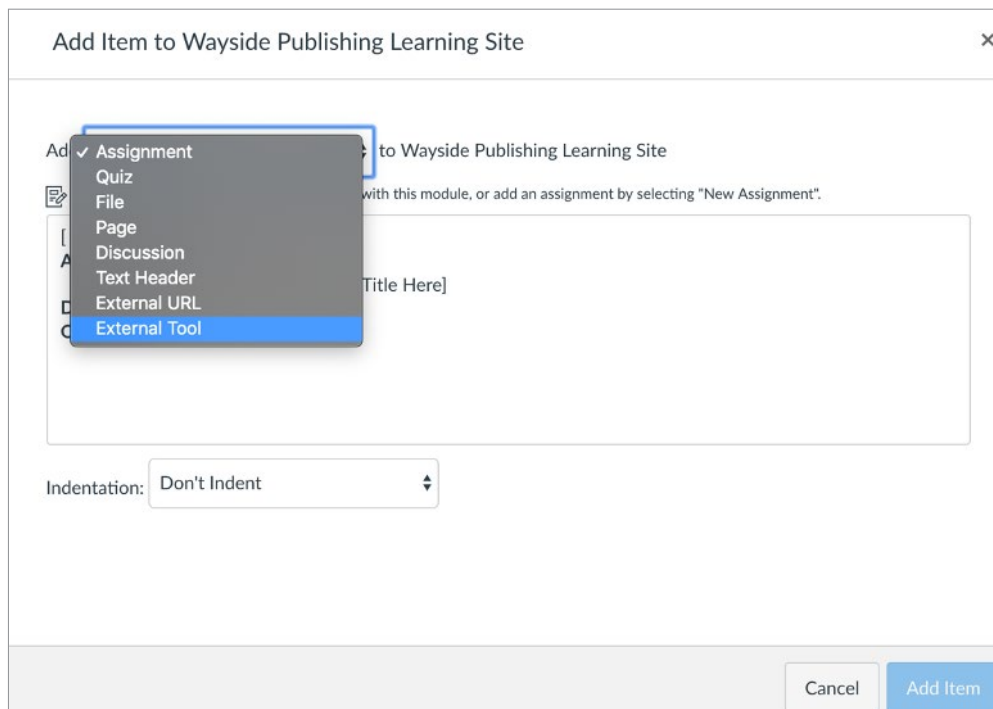

2. In the pop-up window, type a name for your module. We recommend using "Wayside Publishing Learning Site".
3. When ready, select the **Add Module** button.

4. To add the Wayside Publishing[®] LTI Edu App to a module as an external tool, select the  button on right side of the module.

5. Select **External Tool** from the Add Item drop-down menu.

6. Select the **Wayside Publishing Learning Site** external tool from the list.
 7. Next, select how you would like to launch, or view, the Wayside Publishing[®] Learning Site[®].
 - a. Select the **Load in a new tab** check box if you would like to have the Wayside Publishing[®] Learning Site[®] launch in a new tab.
 - b. Leave the **Load in a new tab** check box unchecked if you would like to have the Wayside Publishing[®] Learning Site[®] embedded as an iframe within the module.
 8. When ready, select **Add Item** to add the Wayside Publishing[®] LTI Edu App to the module.
- The Wayside Publishing[®] Learning Site[®] LTI Edu App is now successfully added to your course!
