Student View

What's Inside?

Wayside Publishing® **Learning Site®** provides engaging and equitable online tools and resources that foster **active learning**, allows for **innovation** and **personalization**, builds a **global community**, and creates an online ecosystem that depicts what users **can do** with languages.

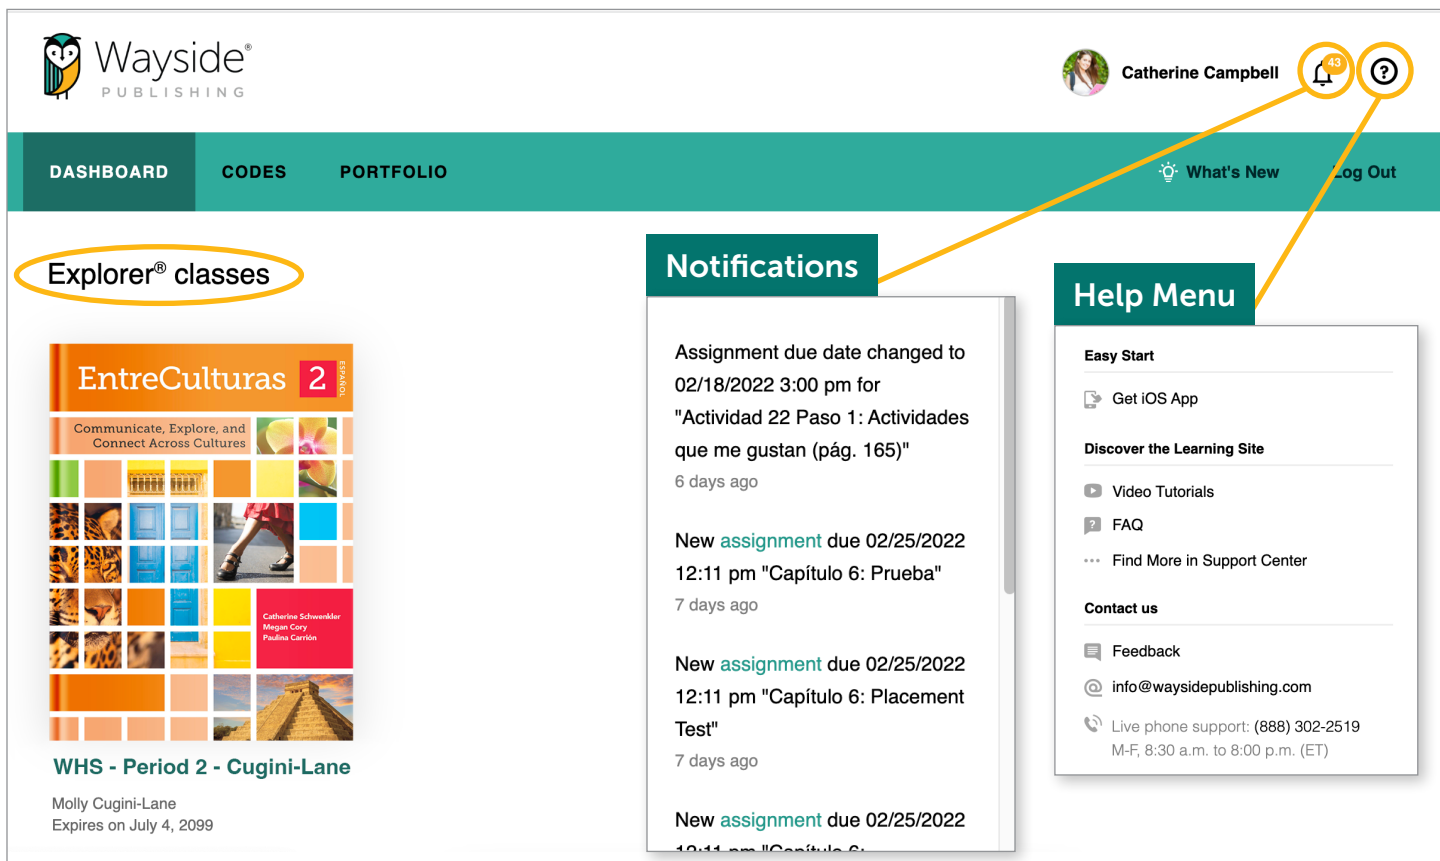

Through our content, activity types, and technology, students are given choices, have flexibility, make connections, set goals, and collaborate amongst classroom communities to apply learning to real world challenges.

The Learning Site® experience for teachers and students is similar with some differences in features, view, and actions. This resource provides student Learning Site® account views, highlights differences for students and teachers, and offers additional information.

For more information about Learning Site®, please contact Wayside Publishing® at info@waysidepublishing.com or visit waysidepublishing.com/digital-solutions/learning-site.
