## Overview

The Wayside Publishing® Learning Site®, our Learning Management System, is the central hub for teachers and students that bridges content, pedagogy, technology, and training to create a comprehensive digital environment that ensures students and teachers are on the path to proficiency and engaging with equitable and innovative pedagogical resources.

The Wayside Publishing® LTI App integration with Schoology provides one-click access to the Learning Site® with minimal setup and maintenance. With this integration, users primarily engage with digital content through the Learning Site® and its user-friendly interface and functionality.

When you are ready to get started with the integration, the Wayside Publishing® rostering team will provide you with a Consumer Key and Shared Secret that will allow you to install the Wayside Publishing® LTI App and connect to the Learning Site® within a Schoology course.

## Partnership

Wayside Publishing® partners with schools, districts, and states around the country to ensure students and teachers have access to the best world language pedagogy in the market because our mission is to empower the next generation of global citizens. By adopting our products, you become stakeholders in our development process, and we will partner with you to understand your needs and serve you better.

## Support

At Wayside, we want to make sure you are always able to find the help you need. Teachers and students have access to on-demand learning opportunities to support both pedagogical and technological aspects focused on industry best practices.

For questions regarding your integration set up, please contact our rostering team at [rostering@waysidepublishing.com](mailto:rostering@waysidepublishing.com). For questions regarding the instructional use of your integration, please contact our Instructional Technologists at [instructionaltechnology@waysidepublishing.com](mailto:instructionaltechnology@waysidepublishing.com)
