Overview

The Wayside Publishing® Learning Site®, our Learning Management System, is the central hub for teachers and students that bridges content, pedagogy, technology, and training to create a comprehensive digital environment that ensures students and teachers are on the path to proficiency and engaging with equitable and innovative pedagogical resources.

The Wayside Publishing® LTI Edu App integration with Canvas provides one-click access to Learning Site® with minimal setup and maintenance. With this integration, users primarily engage with digital content through Learning Site® and its user-friendly interface and functionality.

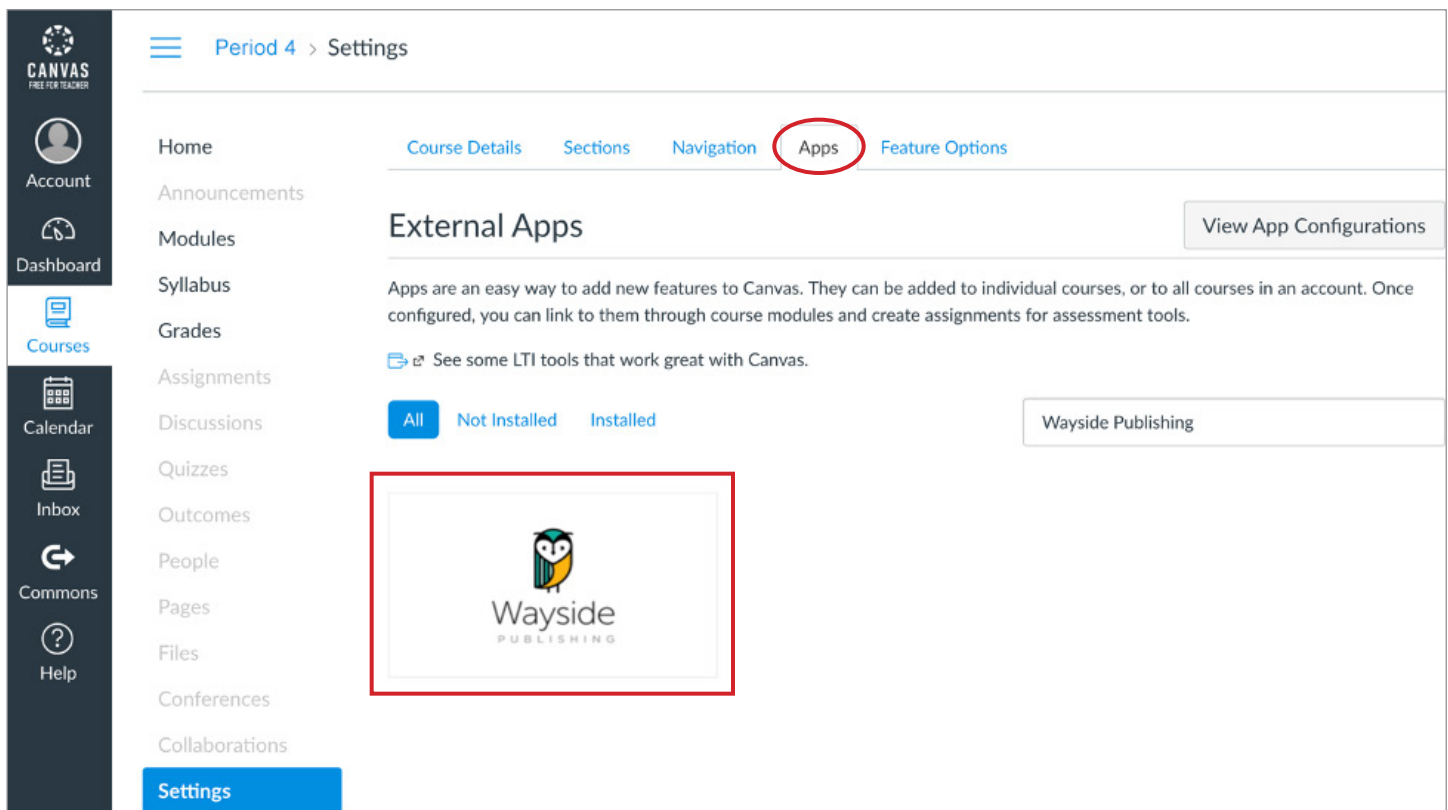

When you are ready to get started with the integration, the Wayside Publishing® Integrations Team will provide you with a Consumer Key and Shared Secret that will allow you to install the Wayside Publishing® LTI Edu App and connect to Learning Site® within a Canvas course.

Adding the LTI Edu App to a Module Link

After installation, the Wayside Publishing® LTI Edu App will need to be added to a course module as an external tool to provide both teachers and students access to Learning Site®. To add the Wayside Publishing® LTI Edu App to a module, please follow the directions below.
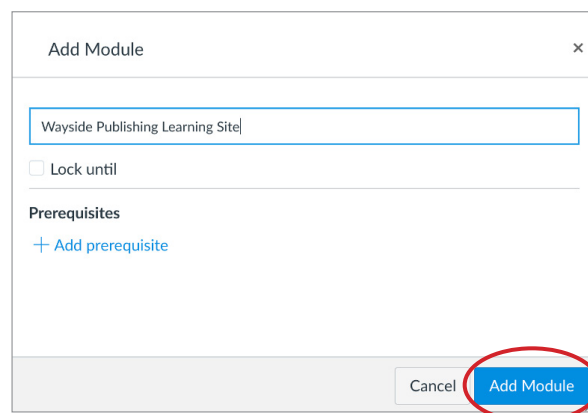

> **TIP:** The Wayside Publishing® LTI Edu App can be added to a new or existing module. It can also be added multiple modules.
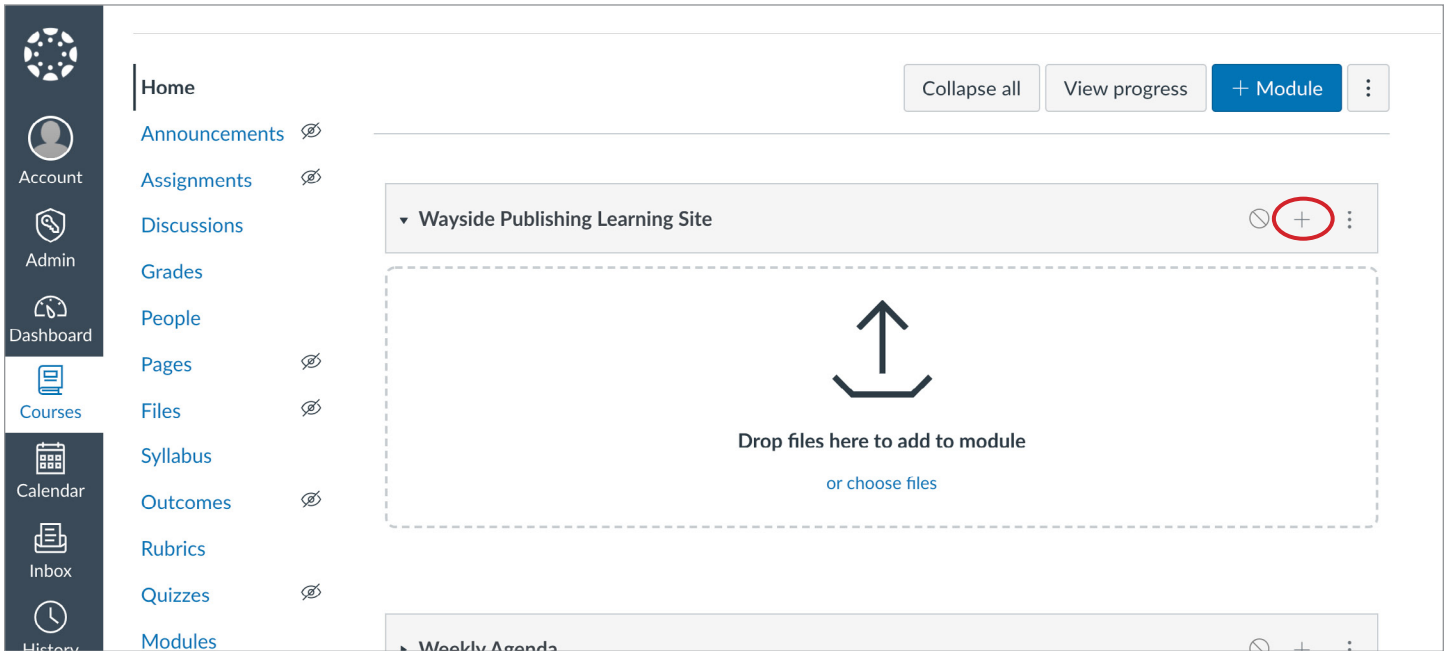

1. To add a new module, navigate to the Modules page of your instructional course and select the **+ Module** button.

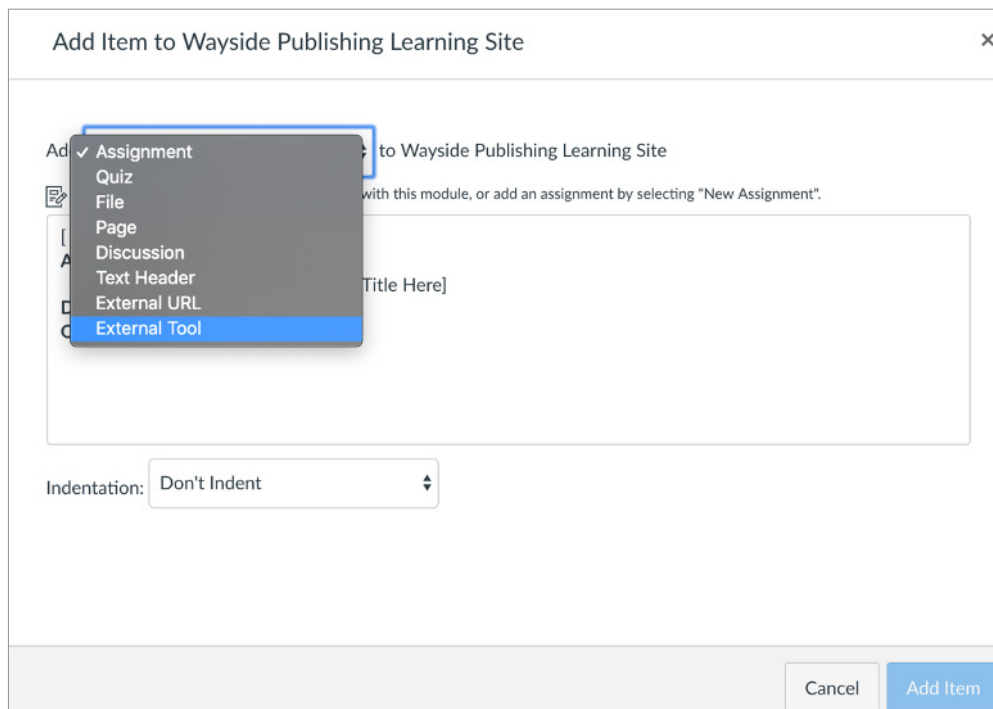

2. In the pop-up window, type a name for your module. We recommend using "Wayside Publishing Learning Site".

3. When ready, select the **Add Module** button.

4. To add the Wayside Publishing® LTI Edu App to a module as an external tool, select the ⊞ button on right side of the module.

5. Select **External Tool** from the Add Item drop-down menu.

6. Select the **Wayside Publishing Learning Site** external tool from the list.

7. Next, select how you would like to launch, or view, the Wayside Publishing® Learning Site®.

    a. Select the **Load in a new tab** check box if you would like to have the Wayside Publishing® Learning Site® launch in a new tab.

    b. Leave the **Load in a new tab** check box unchecked if you would like to have the Wayside Publishing® Learning Site® embedded as an iframe within the module.

8. When ready, select **Add Item** to add the Wayside Publishing® LTI Edu App to the module.

The Wayside Publishing® Learning Site® LTI Edu App is now successfully added to your course!
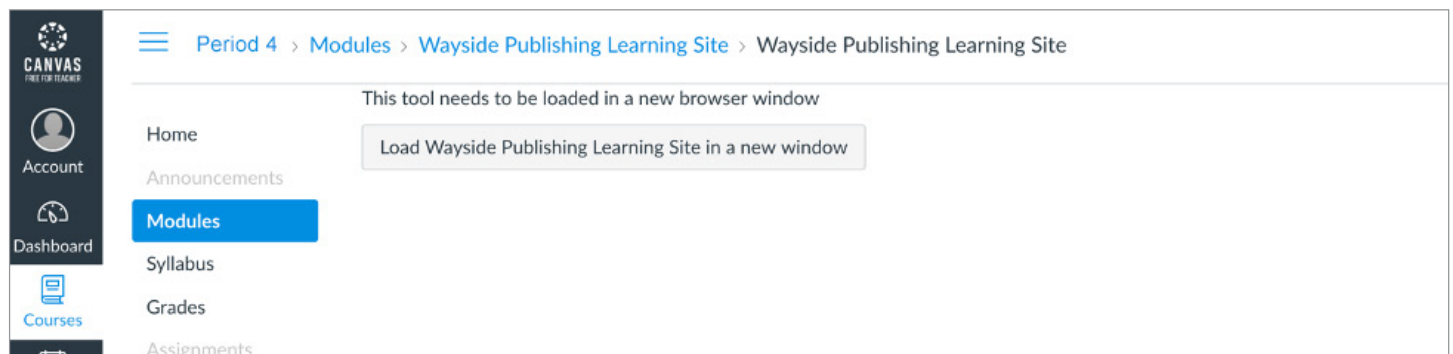

Accessing Learning Site®

To access Learning Site®, select the **Wayside Publishing® Learning Site®** external tool that you added to a module in your instructional course(s). The Wayside Publishing® Learning Site® external tool link will authenticate and provide one-click access to Learning Site® for both teachers and students.
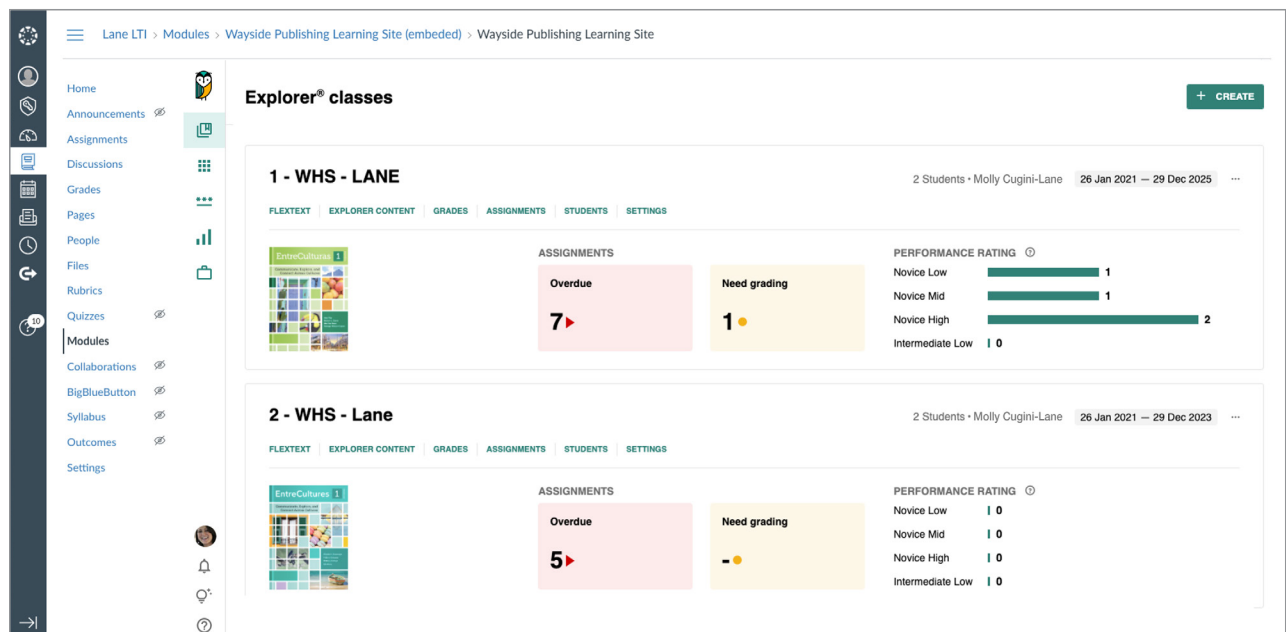

> ⚡ **TIP:** Be sure the module with the Wayside Publishing® Learning Site® external tool link is published for students.

If the Wayside Publishing® Learning Site® external tool is **set up to load in a new tab**, the user will be prompted to launch Learning Site® in a new browser tab or window once the link is selected.

If the Wayside Publishing® Learning Site® external tool is **not set up to load in a new tab**, Learning Site® will open in an iframe embedded within the module once the link is selected.
