## Overview

The Wayside Publishing® Learning Site®, our Learning Management System®, is the central hub for teachers and students that bridges content, pedagogy, technology, and training to create a comprehensive digital environment that ensures students and teachers are on the path to proficiency and engaging with equitable and innovative pedagogical resources.

The Wayside Publishing® LTI App integration with Schoology provides one-click access to Learning Site® with minimal setup and maintenance. With this integration, users primarily engage with digital content through Learning Site® and its user-friendly interface and functionality.

When you are ready to get started with the integration, the Wayside Publishing® Integrations Team will provide you with a Consumer Key and Shared Secret that will allow you to install the Wayside Publishing® LTI App and connect to Learning Site® within a Schoology course.

## Installing the LTI App: Administrator-Level Instructions

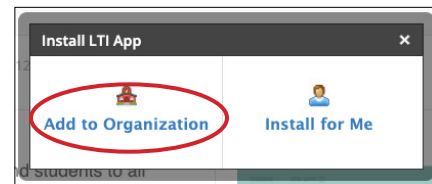

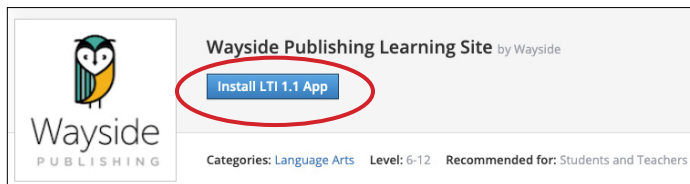

If you are the Schoology administrator for your district and will install the Wayside Publishing® LTI App for use across world language classrooms within your district, please follow the directions below.

1. Contact the Wayside Publishing® Integrations Team at [rostering@waysidepublishing.com](mailto:rostering@waysidepublishing.com) to receive your district's Consumer Key and Shared Secret.
2. Navigate to the Schoology App Center and locate the Wayside Publishing® Learning Site® LTI App. You can also access Schoology's App Center directly using this link: [app.schoology.com/apps](https://app.schoology.com/apps).

**TIP:** Type "Wayside" in your browser's "Find" tool to quickly locate the LTI App.

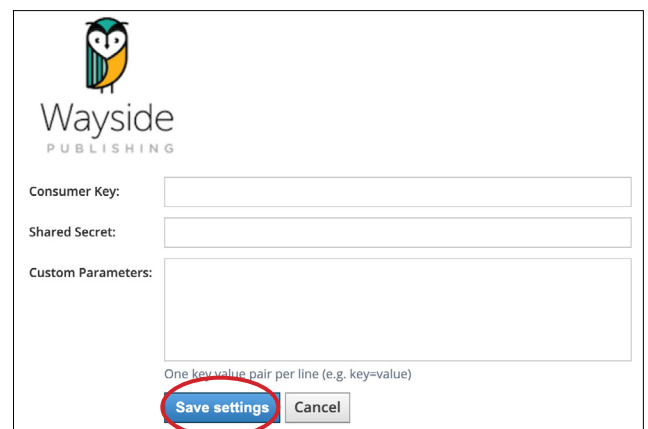

3. Once you have located and selected the Wayside Publishing® Learning Site® LTI App from the Schoology App Center, select **Install LTI App** and choose **Add to Organization**.

4. In your Organization Apps list, you will see a list of installed apps for your district. Select the **Configure** button for the Wayside Publishing® Learning Site® app.

5. Enter your district's Consumer Key and Shared Secret provided. Custom parameters are not needed.
6. Select **Save settings** to complete the configuration of the Wayside Publishing® Learning Site® LTI App.
7. After configuring the Wayside Publishing® Learning Site® LTI App, select the **Install/Remove** button on the Organization Apps page and choose the installation options for your organization.

## Installing the LTI App: Course-Level Instructions

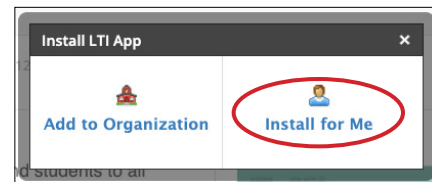

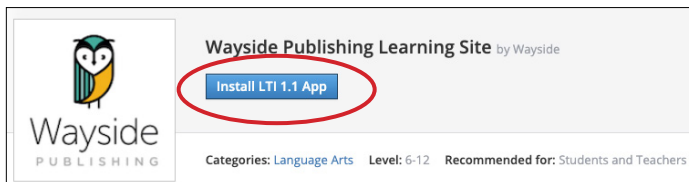

If your Schoology administrator has not installed the Wayside Publishing<sup>®</sup> LTI App, please follow the directions below. You will need to install the Wayside Publishing<sup>®</sup> LTI App into each instructional course with which you will be using the Wayside Publishing<sup>®</sup> Learning Site<sup>®</sup>.

1. Contact the Wayside Publishing<sup>®</sup> Integrations Team at [rostering@waysidepublishing.com](mailto:rostering@waysidepublishing.com) to receive your district's Consumer Key and Shared Secret.
2. Navigate to the Schoology App Center and locate the Wayside Publishing<sup>®</sup> Learning Site<sup>®</sup> LTI App. You can also access Schoology's App Center directly using this link: [app.schoology.com/apps](http://app.schoology.com/apps).

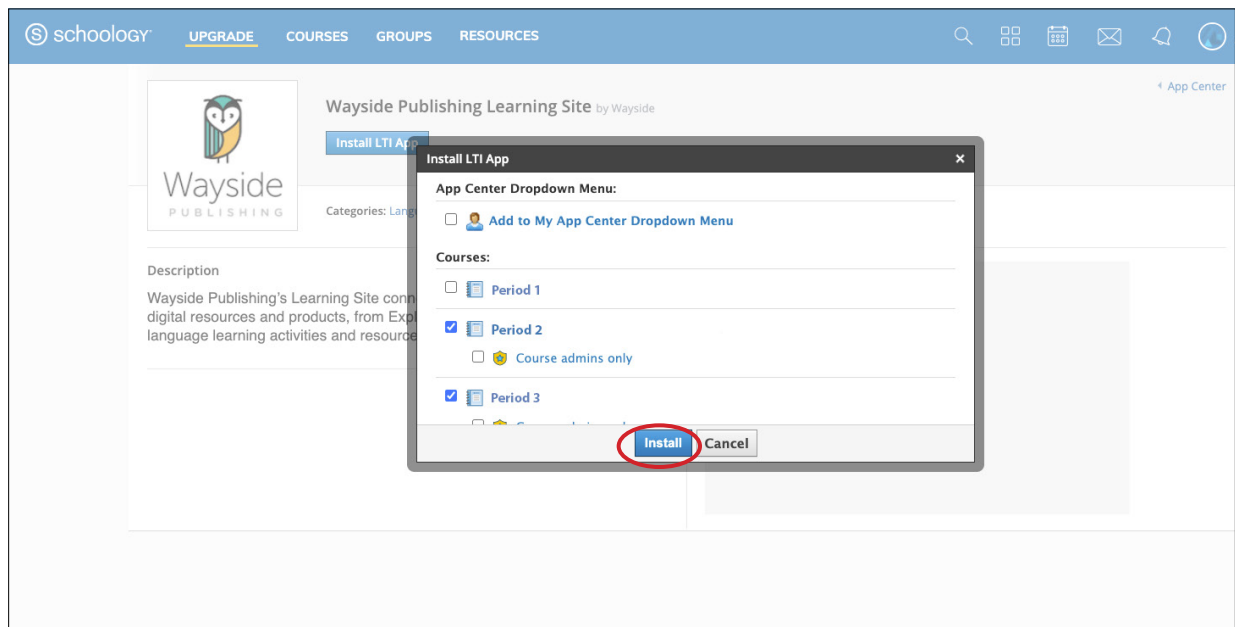

**TIP:** Type "Wayside" in your browser's "Find" tool to quickly locate the LTI App.

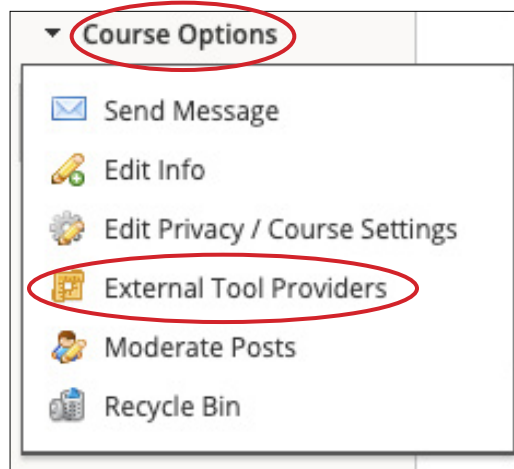

3. Once you have located and selected the Wayside Publishing<sup>®</sup> Learning Site<sup>®</sup> LTI App from the Schoology App Center, select **Install LTI App** and choose **Install for Me**.

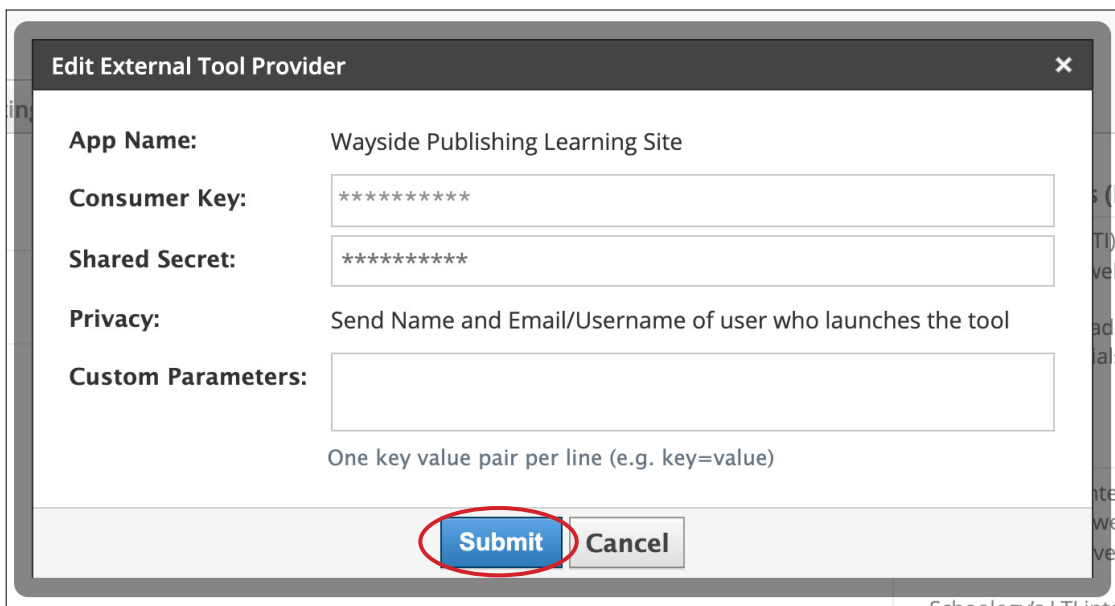

4. In the Install LTI App window, select the checkbox next to each course that will be using the Wayside Publishing<sup>®</sup> Learning Site<sup>®</sup> and then select the **Install** button.

- To complete the installation, navigate to a course to which you added the Wayside Publishing® Learning Site® LTI App.
- Select the **Course Options** dropdown menu and then select **External Tool Providers**.

- Select **Wayside Publishing Learning Site** in the External Tools menu. Enter your district's Consumer Key and Shared Secret and then select **Submit**.

 A screenshot of a dialog box titled "Edit External Tool Provider". The form contains the following fields:
 

- App Name:** Wayside Publishing Learning Site
- Consumer Key:** A text box containing eight asterisks (\*\*\*\*\*).
- Shared Secret:** A text box containing eight asterisks (\*\*\*\*\*).
- Privacy:** Send Name and Email/Username of user who launches the tool
- Custom Parameters:** An empty text box.

 Below the Custom Parameters field is the instruction: "One key value pair per line (e.g. key=value)". At the bottom of the dialog, there are two buttons: "Submit" (circled in red) and "Cancel".

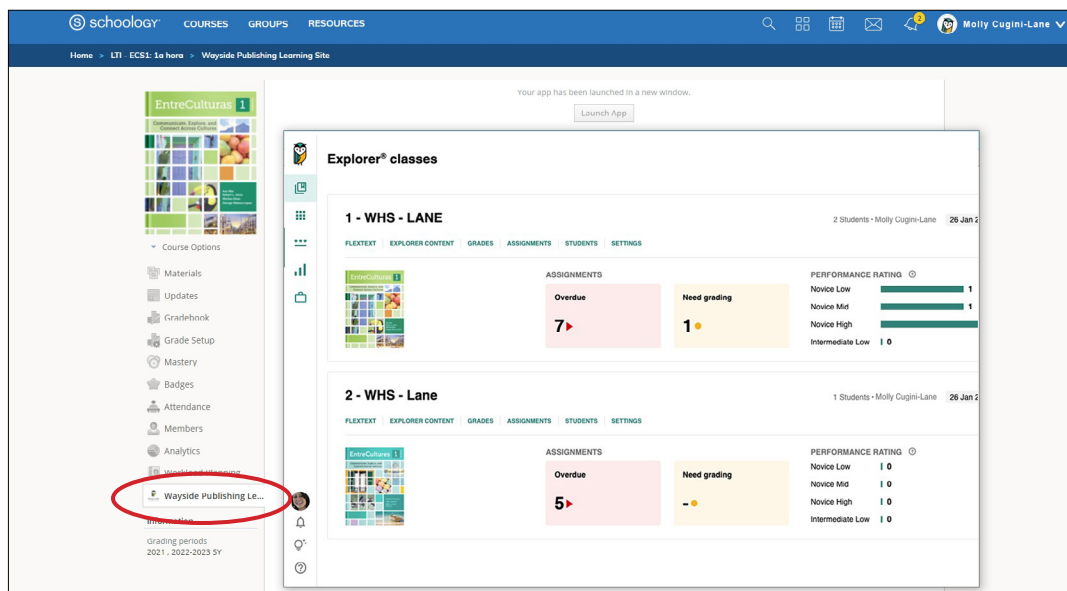

The Wayside Publishing® Learning Site® LTI App is now successfully added to your course!

## Accessing Learning Site<sup>®</sup>

The Wayside Publishing<sup>®</sup> LTI App will authenticate and provide one-click access to Learning Site<sup>®</sup> for both teachers and students. There are two ways to provide access to Learning Site<sup>®</sup>: in a new window through the course options menu or embedded within your course through the course materials list.

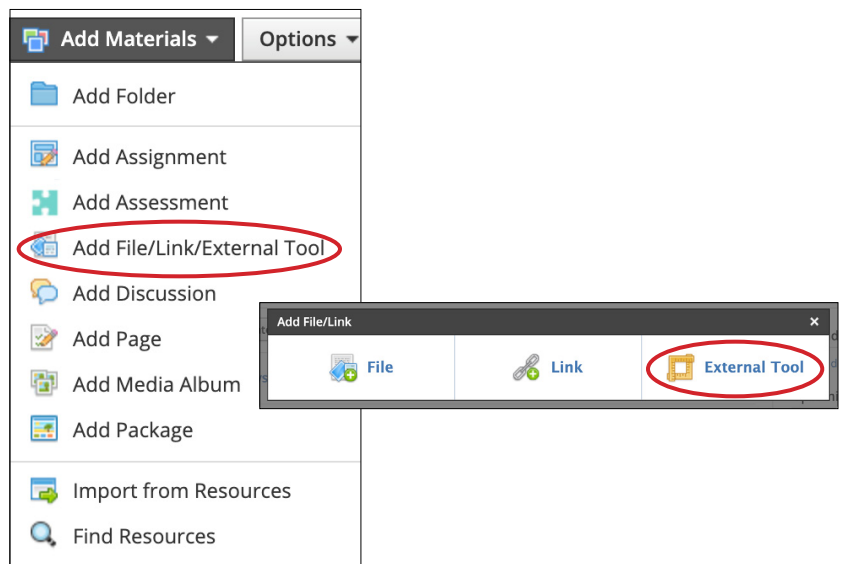

### Course Options Menu Access

Select **Wayside Publishing Learning Site** in the Course Options menu. Learning Site<sup>®</sup> will launch in a new window.

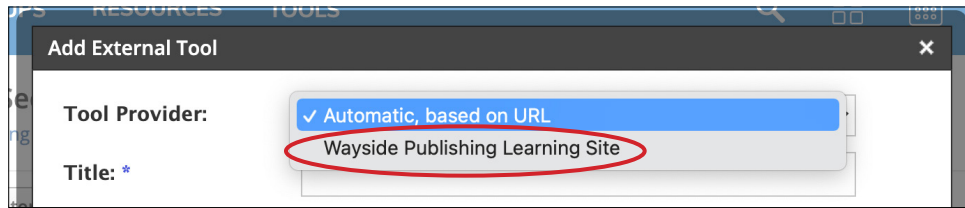

### Course Material Access

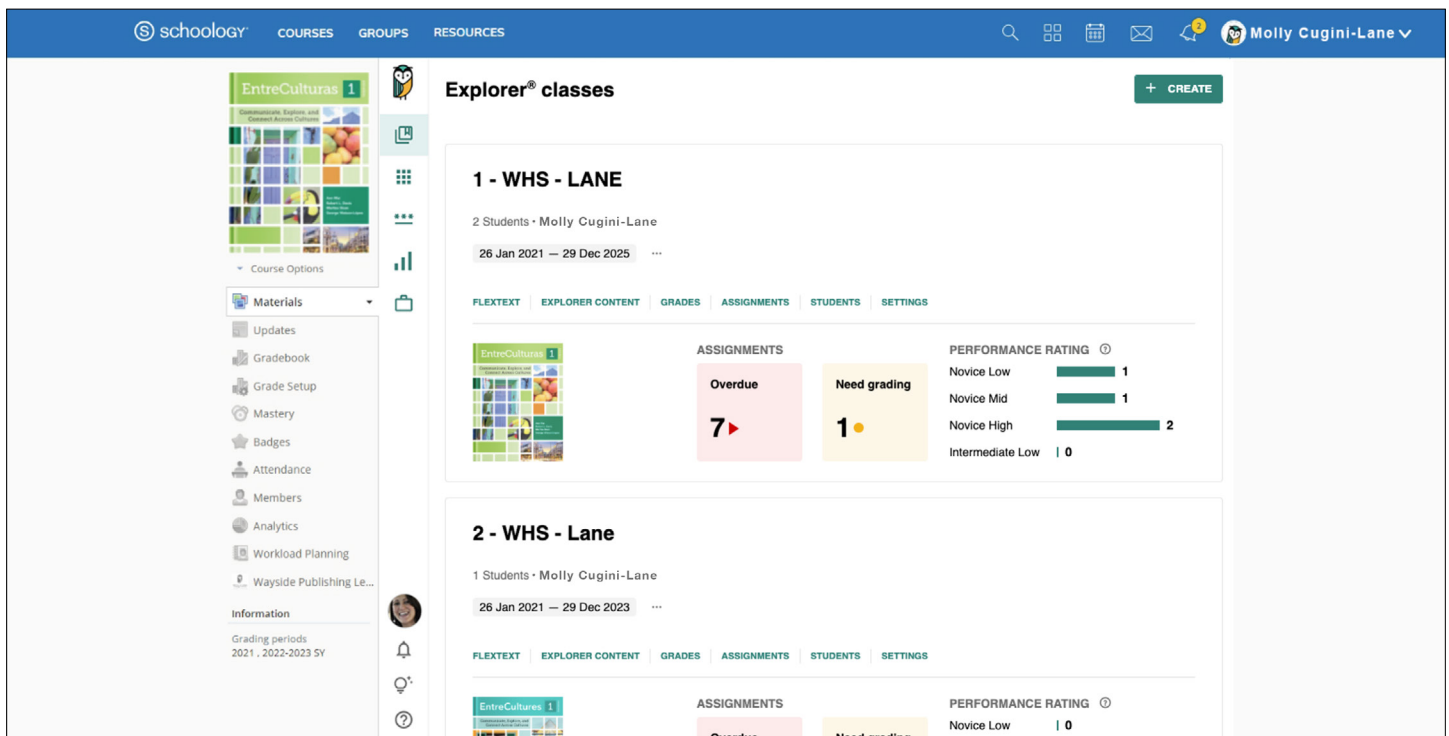

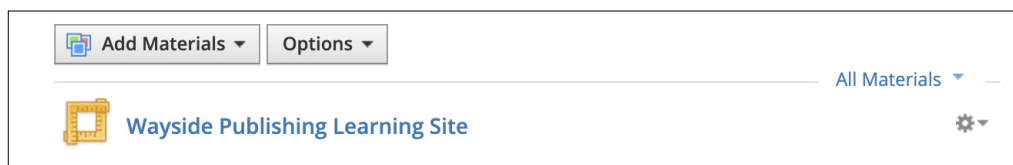

1. In the Add Materials dropdown menu, select **Add File/Link/External Tool** and then select **External Tool**.

- Once in the Add External Tool menu, select **Wayside Publishing Learning Site** from the Tool Provider list. Enter any required information and then select **Submit**.

- To access Learning Site®, select the **Wayside Publishing Learning Site** external tool added to your material list. Learning Site® will be embedded within your course.

**TIP:** The Wayside Publishing® LTI App can be added as a course material to multiple folders.
